

## WATER WORKS AND WATER RATES

Provided, however, that in no case shall the charge for water supplied and measured by meter as provided by this ordinance be less than \$1.00 a month, or \$12 a year.

And provided further that the rate and charge for the use of water from the said Gravity Water Works System for all purposes outside the city limits shall be and the same is hereby fixed at double the rate for similar uses and service within the city limits.

And further provided, that the City Council shall require a good and sufficient bond from the users last above described in such sum as it may from time to time require to secure the payment thereof.

684. Section 4. That the meter rates as provided in this ordinance shall be paid quarterly, and if not paid within thirty days after the same shall become due and payable, the water service shall be discontinued; and whenever said service shall be discontinued, it shall not be resumed at such premises until the amount of such arrearage shall have been paid in full, together with one dollar in addition as a service charge. No discount shall be given on meter rates.

685. Section 5. The superintendent of water and his assistants in the discharge of his or their duties under this ordinance and for any and all purposes concerning the administration of the water system of the city shall be authorized to enter upon any and all premises to which water is, or is to be supplied, by the city.

686. Section 6. That all ordinances or parts of ordinances in conflict herewith are hereby repealed.

**ORDINANCE NO. 81**

(Passed June 1, 1923.)

**Relating to the Supply of Water to Consumers Outside of City Limits.**

687. Section 1. That from and after the passage of this ordinance it shall be unlawful for any person or persons, firm, association or corporation outside the corporate limits of the city of Golden to connect with or cause any tap to be made upon any intake pipe line of the Golden Gravity Water Works System without first having made application in writing to the City Council of the city of Golden, and a permit issued for the privilege of making such tap or connection.

688. Section 2. The City Council shall have the power and authority to enter into individual contracts with any person or persons, association, corporation or other parties for the purpose of supplying water for domestic purposes only outside the city limits to such petitioners, upon such terms and conditions, and for such periods of time as the Council may determine.

689. Section 3. The Council shall have the authority to measure any such water supply under such contract by meters placed at such points on said pipe lines as may be designated by the superintendent of water.

690. Section 4. Rates shall be charged for supplying water hereunder as provided by ordinance.

691. Section 5. All connections shall be made under the supervision of the water superintendent of the said city under such conditions as he or the City Council may designate.

692. Section 6. The City Council shall be obligated to furnish water under the terms of this ordinance only insofar as it is willing to spare the sur-

plus waters of its municipal system, and every agreement drawn in support of every application for water hereunder shall contain a clause that either the City Council or water superintendent of the said city may cancel the contract and privilege thereunder, and discontinue said service whenever in their judgment, jointly or severally, it may be necessary, for any reason whatsoever.

693. Section 7. The City Council may require a good and sufficient bond to be furnished by the contracting party, to guarantee the payment for water under the terms of the said contract.

694. Section 8. The water superintendent is empowered to collect one (1) year's minimum rate for water service hereunder, in advance.

695. Section 9. The contracting party shall not be deemed to have acquired or to acquire in the future any vested rights hereunder by virtue of said agreement or because of the installation of pipes, plumbing, sanitary conveniences or otherwise.

696. Section 10. Any person convicted of unlawfully taking water without complying with the terms of this ordinance or otherwise violating the same, shall be liable for a fine of not more than one hundred (\$100.00) dollars or imprisonment not to exceed ninety (90) days or both in the discretion of the court.
