

672. Section 30. Any person who shall throw or cast into the stream or source from which such water is taken, for five miles above the point from which it is taken, any filthy or other substance that shall tend to pollute the water therein shall be deemed guilty of a misdemeanor.

673. Section 31. No private hydrant shall be used for sprinkling or irrigating purposes, nor shall water be allowed to flow from any fountain during a fire or an alarm of fire, and every license or other person in charge or control of any such hydrant or fountain who shall knowingly permit water to flow therefrom, contrary to any of the foregoing provisions of this section, shall be deemed guilty of a misdemeanor.

674. Section 32. Whoever shall injure, deface or impair any part or appurtenances of the water works, otherwise than as indicated in the preceding sections, shall be deemed guilty of a misdemeanor.

675. Section 33. No water shall be used from the fire plugs except for the extinguishment of fires, and by regularly constituted fire companies for the purpose of cleaning, washing or testing the engines or other apparatus; such use shall be free of charge. Provided, that the superintendent may let water therefrom when necessary for testing the condition of the water works, for purifying the water, or for repairing such works, or sprinkling streets.

676. Section 34. The City Council reserves the right to cause the water to be shut off from the street mains, when deemed necessary for repairing the mains, or water works, making connections or extensions of the same, or for the purpose of cleaning the same.

4337
ORDINANCE NO. 24

(Passed March 29, 1880.)

677. Section 1. That, when the superintendent of water shall deem it impracticable, on account of the expense thereof, or otherwise, to have the stop cock or stop cocks required by the ordinances of this city placed at the edge of the sidewalk or on public ground, he may allow the same to be put in on private premises; but in all such cases he shall have free access thereto at any and all times without let or hindrance from the owner or person in charge of the premises.

678. Section 2. That all water licenses hereafter issued for the purpose of irrigation or sprinkling shall run until and be made to expire on the first day of April, next ensuing the date of such license, anything in the ordinances of this city to the contrary notwithstanding.

ORDINANCE NO. 75

(Passed June 2, 1922.)

Pollution of Water Supply.

679. Section 1. For the purpose of insuring the purity of the water supply of the citizens of the city of Golden for domestic and other uses through its public water system, and for the purpose of guarding and protecting the source of said supply within the Ten (10) mile jurisdictional radius conferred by statute; for the purpose of preserving from defilement, pollution or injury the several tributary streams, lakes, intakes, reservoirs, dams, outlets, trenches, channels, pipe-lines, mains, and hydrants

constituting said system and from any fluid which would render the waters of said system impure or from any substance within such district contiguous to said system or the streams, reservoirs or lakes contributing to the same within such distance thereof that such substance or the drainage therefrom might fall or be carried into the same,

It is declared unlawful for any person, firm or corporation to deposit within the limits used and occupied in the operation of said system any foreign or unwholesome matter or substance so as to permit the same or the wash or drainage thereof to flow or percolate into said city water, or for any person, without authority, to molest or interfere with any part of said system of water works, or to do any act or thing tending to injure the same or to cause the water thereof to become colored, polluted or unwholesome for human consumption as aforesaid.

680. Section 2. That any person, firm or corporation, or executive officer or employee of any company, who shall violate any of the provisions of Section 1 of this ordinance shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than twenty-five nor more than three hundred dollars.

ORDINANCE NO. 77

(Passed September 1, 1922.)

Concerning Meter Rates.

681. Section 1. That from and after thirty days after the final passage and publication of this ordinance, unless further time be granted by the City Council, meters shall be installed and used for the measurement of all water thereafter supplied by the Gravity Water Works System of the city of Golden to each and every place of business, and all places where water is used for power purposes within the city, and for all purposes outside the city.

682. Section 2. That the meters required to be installed by this ordinance shall be such only as shall be authorized by the City Council, and such installation shall be made by or under the direction of the superintendent of water. The price of such meters together with all expenses of the installation thereof shall be advanced and paid by the water user.

683. Section 3. The following quarterly rates, for water used and measured within the city by meter under the provisions of this ordinance shall be as follows, to-wit:

- a. For quantities less than 25,000 gallons, 30 cents per 1000 gallons for the entire quantity used.
 - b. For quantities of 25,000 gallons and less than 50,000 gallons, 27 cents per 1,000 gallons for the entire quantity used.
 - c. For quantities of 50,000 gallons and less than 100,000 gallons, 24 cents per 1,000 gallons for the entire quantity used.
 - d. For quantities of 100,000 gallons and less than 250,000 gallons, 21 cents per 1,000 gallons for the entire quantity used.
 - e. For quantities of 250,000 gallons and less than 500,000 gallons, 18 cents per 1,000 gallons for the entire quantity used.
 - f. For quantities of 500,000 gallons and less than 1,000,000 gallons, 16 cents per 1,000 gallons for the entire quantity used.
 - g. For quantities of 1,000,000 gallons, or over, 15 cents per gallon for the entire quantity used.
-
