13.04.210 - Power to limit the use of water

The use of water from the water system of the City of Golden for lawn sprinkling purposes may be prohibited or restricted by order of the City Manager. Section 3. This Ordinance is deemed necessary for the immediate protection of the public property, peace, health and safety because of the incapability of the city's present water system to furnish filtered water to the citizens of the City of Golden and therefore is passed as an emergency ordinance under Section 5.11 of the City Charter and shall take effect upon final passage.
