

ORDINANCE NO. 248

AN ORDINANCE AMENDING
SECTION ONE (1) OF ORDINANCE
NO. 225.

BE IT ORDAINED BY THE CITY
COUNCIL OF THE CITY OF GOL-
DEN, COLORADO:

Section 1. That Section One (1) of Ordinance 225 of said City of Golden is hereby amended to read as follows:

That from and after thirty days after final passage and publication of this ordinance, unless further time be granted by the City Council, meters shall be installed and used for the measurement of all water thereafter supplied by the Water Works System of the City of Golden, and for all purposes outside the city; provided however, that no water will be furnished to any dwelling house or for sprinkling or irrigating any lot or for Apartments, Hotels, Rooming Houses, Restaurants, All Business Houses, Schools, Institutions and Industrial Concerns unless a license therefor shall have been issued by the City Clerk-Treasurer of the City of Golden, and such license shall be issued only upon written application, made by the owner of such house or property, or by his duly authorized agent, which application shall be in such form as shall, from time to time, be prescribed by the City Council, and which shall fully describe the uses for which said water is to be furnished. Provided, that where water is now being furnished to any property within the City Limits of the City of Golden, no additional application need be made, under the terms of this ordinance, except where other or different uses may be added, and provided, further, that yearly applications must be made in all cases coming under uses outside the City Limits of the City of Golden, and all such applications must be acted upon by the City Council, before a license can be issued by the City Clerk-Treasurer; the right to reject any and all applications for use of water outside the City Limits of the City of Golden is hereby expressly reserved by the City Council, and the granting by it of any such application shall in no manner or way operate to stop it from refusing to grant any other application or applications,

though made at the same time and involving property situated in the same locality as the property as to which the application may be granted, it being expressly understood that this ordinance imposes no obligation whatsoever upon the City of Golden to furnish water for the use of any property outside the City limits, and which is not subject to City taxation as imposed by the annual levies. Therefore, the granting of an application for use outside the City Limits of the City of Golden in any one year shall not be deemed or taken as conferring or vesting any right to have a similar application granted in any succeeding year.

Section 2. Whereas, in the opinion of the City Council, an emergency exists and this Ordinance is necessary for the immediate preservation of the public peace, health and safety, therefor this Ordinance shall be in full force and effect upon the expiration of five days after its final passage and publication.

Introduced and read this 2nd day of December, 1948.

Passed and approved this 20th day of December, 1948.

C. T. FREDERICK,
Mayor.
