

RESOLUTION NO 1382

**A RESOLUTION OF THE GOLDEN CITY COUNCIL
SETTING FEES FOR URBAN MULTI-FAMILY
CLASSIFICATION OF WATER AND WASTEWATER
SERVICES**

WHEREAS, the City of Golden developed a series of water and wastewater tap fees through a citizens advisory committee; and

WHEREAS, the committee strongly recommended that all additional users of the cities water system should pay the capital value of the system that they will use; and

WHEREAS, that value was computed by the city consultant as a percentage of residential tap fees based on water use compared to residential water use; and

WHEREAS, the scheduled comprised uses that the city was experiencing at the time; and

WHEREAS, recent developments of senior citizen assisted living homes created a costumer use that did not properly fit into any existing use classification; and

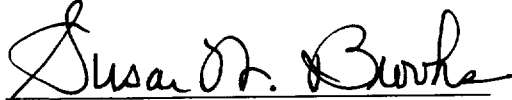

WHEREAS, the city engineer has reviewed use records from existing facilities and defined the use compared to residential facilities.

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GOLDEN, COLORADO:

That a new use classification, "Urban Multi-Family" be added to the existing tap fee schedule that shall apply as defined in Chapter 13.08 Golden Municipal Code. The water system development fees for this classification are \$2410 per unit and wastewater fees are \$675 per unit.
