

RESOLUTION NO. 1473

A RESOLUTION OF THE GOLDEN CITY COUNCIL
SUPPORTING A REQUEST TO SUPPORT A MORE
EQUITABLE ALLOCATION OF TRANSPORTATION
DOLLARS FOR THE CITIZENS AND JURISDICTIONS
IN JEFFERSON COUNTY

WHEREAS, Colorado's roadways have become increasingly strained as the population has grown; and

WHEREAS, transportation needs have increased while our ability to pay for necessary upgrades and expansion projects has decreased; and

WHEREAS, although the nearly 535,000 Jefferson County citizens have paid their fair share of tax dollars to help fund transportation projects, these funds are sometimes diverted to projects that have less impact on their lives; and

WHEREAS, Jefferson County transportation projects are an important component of the regional transportation grid; and

WHEREAS, the Northwest Quadrant Feasibility Study determined that the future mobility of Jefferson County residents requires arterial solutions;

WHEREAS, available highway funds should be channeled to the areas of greatest need, as determined by current and anticipated future traffic congestion and impacts; and

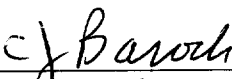

WHEREAS, Golden City Council supports alternative transportation, such as transit;

THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GOLDEN, COLORADO:

Section 1) The Golden City Council does hereby support efforts for transportation equity funding at both the State and County level for Jefferson County and its residents.

Section 2) This resolution will become effective only after the list of critical and priority projects for Jefftag no longer includes toll road for State Highway 93.

Adopted this 12 day of February, 2004.

Mayor
