OWNER PARTICIPATION AGREEMENT

THIS AGREEMENT (the "Agreement") is made as of September 26th, 2001, by and between the GOLDEN URBAN RENEWAL AUTHORITY ("GURA") and CLEAR CREEK COMMONS, LLC, a Colorado limited liability company ("Developer").

1. Developer's Construction Obligation. To assist GURA in carrying out the Golden Urban Renewal Plan a/k/a the Golden Downtown Redevelopment Plan (the "Plan"), the Developer agrees to redevelop the following described property: Parcel D: Lots 1, 2 and 3, Block C on the South Side of Clear Creek, Golden City, Colorado Territory, Reception No. 80009765, County of Jefferson, State of Colorado, and Lot 3, CLEAR CREEK SQUARE, County of Jefferson, State of Colorado (the "Site"), by constructing on the Site the improvements (the "Improvements") described in Attachment No. 1. The Improvements consist of the Private Improvements and the Eligible Improvements as described in Attachment No. 1. All construction shall conform with plans and specifications prepared and submitted by the Developer and approved by GURA and the City of Golden (the "City"). Prior to commencing construction the Developer shall obtain any and all permits required by the City and any other governmental agency having jurisdiction. Developer will prepare final plans and specifications for the Improvements in its discretion. The final plans and specifications developed by the Developer may contain modifications or alterations to the description of the Improvements set forth in Attachment No. 1. If on or before December 31, 2001, (i) GURA or the City does not approve the plans and specifications for the Improvements as finally submitted by the Developer, (ii) the Developer is unable or otherwise fails to obtain all necessary permits for the construction of the Improvements, (iii) Developer does not exercise its option to purchase the Site, or (iv) Developer has not begun construction of the improvements in the reasonable opinion of GURA, then either party may terminate this Agreement by giving notice thereof to the other. This Agreement shall then terminate and neither party shall have any rights against the other. "Completion of Construction" for the purposes of this Agreement means delivery of a final certificate of occupancy by the City. Developer shall achieve Completion of Construction of the Improvements on or before March 1, 2003. The Developer shall separately document and submit to GURA proper records of all costs, including invoices received and clearly identifiable as related to the design and construction of the Eligible Improvements.

2. Reimbursement for Eligible Improvements. From sixty percent (60%) of the revenue produced by the ad valorem property tax valuation and municipal sales tax increments in excess of the base valuation for such tax valuation and sales tax proceeds (as determined by GURA) to be produced and available from the Private Improvements and the Site and no other source (the "Special Fund"), GURA agrees to reimburse the Developer's lender, as approved by GURA or the Developer directly, as the case may be, for providing the funds to construct the Eligible Improvements; such reimbursement to be the lesser of the actual documented cost of the Eligible Improvements or \$159,000, plus interest at an annual rate of the lesser of 8% or the actual rate charged by Developer's lender, or as otherwise agreed to in writing by GURA, subject to the following conditions:

- a. The documents evidencing a bank loan to the Developer shall be subject to the reasonable review and approval of GURA.
- b. Payments will be made from the Special Fund quarterly beginning at the Completion of Construction; provided, however, the maximum term (the "Term") of GURA's obligation to make payments under this Agreement shall expire upon payment in full or 7 years, whichever first occurs.
- c. All payments made hereunder shall be applied first to accrued but unpaid interest and then to unpaid principal. The Developer agrees to pay in a timely manner, all principal and interest, if any, due and payable to Developer's lender, attributed to the Improvements in excess of the maximum amounts set forth in Section 2. At least annually, GURA shall provide the Developer and/or the Developer's lender a report concerning the calculation of the amounts paid into and disbursements from the Special Fund.
- d. Developer is not in default under this Agreement at the time of any scheduled payment.

- e. On September 18, 2000, the District Court in Jefferson County, Colorado, entered a ruling in Case No. 00 CV 2170 that GURA is not subject to Article X, Section 20 of the Colorado Constitution ("Amendment 1"). If at any time, by appellate court ruling or otherwise, the agreement to pay for the Eligible Improvements is deemed by GURA to be a multiple year obligation of GURA that violates Amendment 1, any annual payment due for the Eligible Improvements shall be subject to annual appropriation by GURA. In that event, GURA agrees to include the amount of each annual payment as a line item in its annual budget, and to act in good faith in considering the appropriation of the annual payment to or for the account of the Agreement.
- f. The obligation to pay for the Eligible Improvements is a limited obligation payable solely from the Special Fund. The obligation to make such payment is not a debt or general obligation of GURA, and is not a debt of the City or the State of Colorado or of any political subdivision of the State of Colorado or any other public body. Such payment shall not be payable from or constitute a charge upon any funds of GURA except from the Special Fund and then only to the extent and in the manner specified in this Agreement and in any document or instrument signed by GURA implementing this Agreement.
- g. If the Developer sells or transfers the Site, the Private Improvements prior to the earlier of the expiration of the Term or payment of the amount described in Section 2, GURA's obligation to make any further payments into the Special Fund shall terminate unless GURA approves such sale or transfer in writing, which approval shall not be unreasonably withheld.
- h. For as long as this Agreement is in effect, the Developer shall provide GURA with the date(s) and amount(s) of ad valorem property taxes paid by the Developer each year at the same time of such payment or payments.

3. Hold Harmless and Indemnification. In the performance of this Agreement, the Developer agrees to indemnify GURA, its officers, employees, agents and others acting on its behalf, to hold them harmless and to defend and protect them from and against any and all loss, damage, liability, cost and expense (including, without limitation, attorneys' fees and other costs and expenses of defense), of any sort whatsoever based upon, resulting from or otherwise arising in connection with any actions, claims, or proceedings brought, or any loss, damage or injury of any type, by reason of any act or omission of the Developer, its employees or agents or any other person or entity for whose acts or omissions the Developer is legally responsible.

4. Representations and Warranties by the Developer. The Developer represents, warrants and certifies to GURA as follows:

- a. Upon exercise of the option described in Section 1. and if this Agreement is not terminated as described in Section 1. the Developer holds (or will hold upon exercise of the option) fee simple marketable title to the Site, subject only to the lien of any financing necessary to construct the Improvements;
- b. There is no action or proceeding pending or, to the knowledge of the Developer, threatened against the Developer or the Site before any court or administrative agency that might result in any material adverse change in the business or financial condition of the Developer or of the Site;
- c. The Developer is not involved in any bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation proceeding and, to the best knowledge of the Developer, no such proceeding is contemplated or threatened.

5. Remedies. If any event of default by the Authority occurs and is continuing hereunder, the Developer or Developer's lender, if applicable, may seek enforcement of the Authority's payment obligation under Section 2. In no event shall the Authority be liable for special, consequential, or punitive damages. If any event of default by the Developer occurs and is continuing hereunder, the Authority may (a) seek any available remedy at law; (b) seek enforcement of the Developer's obligations hereunder by any equitable remedies, such as specific

performance or injunction; or (c) elect to terminate this Agreement. In addition the nondefaulting party may recover its reasonable costs and attorney fees.

6. Notices. Unless otherwise notified in writing by either party, all notices required or permitted by this Agreement shall be in writing and shall be sufficiently given if delivered in person, by prepaid overnight express mail or express courier to either party or by certified mail, with postage prepaid, return receipt requested and addressed:
