WHEREAS, the Golden City Council recognizes and appreciates the value of continual learning; and

WHEREAS, City Council members have been actively participating in the educational, policy and networking activities of the Colorado Municipal League, the National League of Cities and other professional peer organizations; and

WHEREAS, the current Council travel policy is out of date and unworkable.

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GOLDEN, COLORADO:

Section 1. When finances allow, the Council will budget an appropriate amount of money to enable each member of Council to attend two (2) major training and networking events each year in addition to any required travel on official city business and minor local training and networking events.

Section 2. Council Members are encouraged, but not required, as one of their major events to attend the annual meeting of the Colorado Municipal League. The other event can be one of the sessions offered by the National League of Cities or similar professional session.

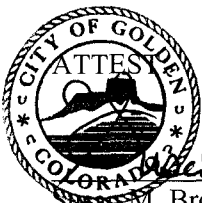

Section 3. While on travel status, Council members are responsible for following the travel policies established by the City Manager for city staff. Expense reimbursements will be reviewed and paid in the same manner as for city staff.

Section 4. Council members who attend training sessions are expected to share what they learned with the rest of Council.

Section 5. Council members who wish to attend more than two major training events in any year must receive prior approval from the City Council. The City Manager is authorized to approve Council travel and expense reimbursement for Official City Business.
