2. **Responsible Administrator.** The performance of the services required hereunder shall be under the direct supervision of Dan Hartman, Public Works Director, an employee or agent of the Contractor who is hereby designated as the "Responsible Administrator" of the Project. 3. **Time of Performance.** This Contract shall become effective upon approval by the State Controller or designee (the "Effective Date") and extend through the completion date set forth in the "Time of Performance" section of Exhibit A. The Contractor agrees that time is of the essence in the performance of its obligations under this Contract.

4. Authority to Enter into Contract and Proceed with Project. The Contractor represents and warrants that it possesses the legal authority to enter into this Contract and has taken all actions required to exercise such authority and to lawfully authorize its undersigned signatory to execute this Contract and to bind the Contractor to its terms. 9. Audit.

a) **Discretionary Audit.** The State, through the Executive Director of the Department of Local Affairs, the Colorado State Auditor, or any of their duly authorized representatives and the federal government or any of its duly authorized representatives shall have the right to inspect, examine and audit the Contractor's and any subcontractor's records, books, accounts and other relevant documents. For the purposes of discretionary audit, the State specifically reserves the right to hire an independent certified public accountant of the State's choosing. A discretionary audit may be requested at any time and for any reason during the period commencing on the Effective Date and continuing for five (5) years after the date of the final payment for the Project under this Contract is received by the Contractor, provided that the audit is performed during normal business hours.

b) **Mandatory Audit.** Whether or not the State or the federal government calls for a discretionary audit as provided above, the Contractor shall include the Project in its annual audit report as required by the Colorado Local Government Audit Law, 29-1-601, et seq., C.R.S., and implementing rules and regulations. Such audit reports shall be simultaneously submitted to the Department and the State Auditor. Thereafter, the Contractor shall supply the Department with copies of all correspondence from the State Auditor related to the relevant audit report. - c. Automobile Liability Insurance covering any auto (including owned, hired and non-owned autos) with a minimum limit as follows: \$1,000,000 each accident combined single limit.

10.2 The State of Colorado shall be named as additional insured on the Commercial General Liability and Automobile Liability Insurance policies (leases and construction contracts will require the additional insured coverage for completed operations on endorsements CG 2010 11/85, CG 2037, or equivalent). Coverage required of the contract will be primary over any insurance or self-insurance program carried by the State of Colorado.

10.3 The Insurance shall include provisions preventing cancellation or non-renewal without at least 45 days prior notice to the State by certified mail.

10.4 The contractor will require all insurance policies in any way related to the contract and secured and maintained by the contractor to include clauses stating that each carrier will waive all rights of recovery, under subrogation or otherwise, against the State of Colorado, its agencies, institutions, organizations, officers, agents, employees and volunteers.

10.5 All policies evidencing the insurance coverages required hereunder shall be issued by insurance companies satisfactory to the State.

10.6 The contractor shall provide certificates showing insurance coverage required by this contract to the State within 7 business days of the effective date of the contract, but in no event later than the commencement of the services or delivery of the goods under the contract. No later than 15 days prior to the expiration date of any such coverage, the contractor shall deliver the State certificates of insurance evidencing renewals thereof. At any time during the term of this contract, the State may request in writing, and the contractor shall thereupon within 10 days supply to the State, evidence satisfactory to the State of compliance with the provisions of this section.

10.7 Notwithstanding subsection a of this section, if the Contractor is a "public entity" within the meaning of the Colorado Governmental Immunity Act, CRS 24-10-101, et seq., as amended ("Act"), the contractor shall at all times during the term of this contract maintain only such liability insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the Act. Upon request by the State, the contractor shall show proof of such insurance satisfactory to the State.

11. Conflict of Interest. The Contractor shall comply with the provisions of 18-8-308 and 24-18-101 through 24-18-109, C.R.S.

12. Remedies. In addition to any other remedies provided for in this Contract, and without limiting the remedies otherwise available at law or in equity, if the Contractor fails to comply with any contractual provision, the State, after written notice to the Contractor, may:

- a) suspend this Contract and withhold further payments and/or prohibit the Contractor from incurring additional obligations of contractual funds, pending corrective action by the Contractor or a decision by the State to terminate this Contract in accordance with provisions herein. The State, in its sole discretion, may allow expenditures during the suspension period which the Contractor could not reasonably avoid, provided such costs were necessary and reasonable for the conduct of the Project; or

- b) terminate this Contract for default.

The above remedies are cumulative and the State, in its sole discretion, may exercise any or all of them individually or simultaneously.

13. Contract Termination. This Contract may be terminated as follows:

a) **Termination Due to Loss of Funding.** The Parties hereto expressly recognize that the Contractor is to be paid or reimbursed with funds provided to the State for the purposes set forth herein, and therefore, the Contractor expressly understands and agrees that all its rights, demands and claims to payment or reimbursement arising under this Contract are contingent upon receipt of such funds by the State. In the event that such funds or any part thereof are not received by the State, the State may immediately terminate or amend this Contract.

b) **Termination for Cause.** If, for any reason, the Contractor shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the State shall give written notice to the Contractor of such delay or non-performance. If the Contractor fails to promptly correct such delay or non-performance within the time specified in the notice or twenty (20) days from the date of such notice, which ever is greater, the State shall have the right, at its sole option, to terminate this entire Contract, or such part of this Contract as to which there has been delay or failure to properly perform, for cause. If the State terminates this Contract for cause, the State shall reimburse the Contractor only for eligible expenditures made up to the date of termination.

Notwithstanding the above, the Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach of this Contract by the Contractor, and the State may withhold any payments to the Contractor for the purpose of offset until such time as the exact amount of damages due the State from the Contractor is determined.

c) **Termination for Convenience.** When the interests of the State so require, the State may terminate this Contract in whole or in part for the convenience of the State. The State shall give written notice of termination to the Contractor specifying the termination of all or a part of this Contract and the effective date thereof, at least twenty (20) days before the date of termination. Exercise by the State of this termination for convenience provision shall not be deemed a breach of contract by the State. Upon receipt of written notice, the Contractor shall incur no further obligations in connection with the terminated work and, on the date set in the notice of termination, the Contractor shall stop work to the extent specified. The Contractor also shall terminate outstanding orders and subcontracts as they relate to the terminated work.

No prior or contemporaneous addition, deletion or modification hereto shall have any force or effect whatsoever, unless embodied in a writing, executed by the Parties pursuant to paragraph 8 of this Contract, and approved in accordance with Colorado State fiscal rules and policies.

15. Severability. To the extent that this Contract may be executed and performance of the obligations of the Parties may be accomplished within the intent of this Contract, the terms of this Contract are severable, and should any term or provision hereof be declared invalid or become inoperative for any reason, such invalidity or failure shall not affect the validity of any other term or provision hereof.

16. Waiver. The waiver of any breach of a term, provision or requirement hereof shall not be construed as a waiver of any other term, provision or requirement or of any subsequent breach of the same term, provision or requirement.

17. Binding on Successors. Except as otherwise provided herein, this Contract shall inure to the benefit of and be binding upon the Parties, and their respective successors and assigns.

18. Assignment. Notwithstanding paragraph 17, the Contractor may not assign its rights or duties under this Contract without the prior written consent of the State. No subcontract or transfer of this Contract shall in any case release the Contractor of responsibilities under this Contract.

19. Survival of Certain Contract Terms. Notwithstanding anything herein to the contrary, all terms and conditions of this Contract, including but not limited to the exhibits and attachments hereto, which may require continued performance, compliance or effect beyond the termination date of this Contract shall survive such termination date and shall be enforceable by the State in the event of any failure to perform or comply by the Contractor or its subcontractors.

The Contractor also shall require compliance with such laws and regulations by subcontractors under subcontracts entered into in connection with the Project.

If federal appropriations or grants fund this Contract in whole or in part, this Contract is subject to and contingent upon the continuing availability of appropriated federal funds for this Contract. If State of Colorado or federal funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may immediately terminate this Contract in whole or in part without further liability.

25. Third Party Beneficiaries. The enforcement of the terms and conditions of this Contract and all rights of action relating to such enforcement shall be strictly reserved to the State and the Contractor. Approximately 134 industry employees reside in Jefferson County.

The Contractor agrees that time is of the essence in the performance of its obligations under this Contract.

4. Authority to Enter into Contract and Proceed with Project. The Contractor represents and warrants that it possesses the legal authority to enter into this Contract and has taken all actions required to exercise such authority and to lawfully authorize its undersigned signatory to execute this Contract and to bind the Contractor to its terms. In addition, the Contractor represents and warrants that it currently has the legal authority to proceed with the Project.

Furthermore, if the nature or structure of the Project is such that a decision by the electorate is required, the Contractor represents and warrants that it has held such an election and secured the voter approval necessary to allow the Project to proceed.

6. Refund of Excess Funds to the State.

a) Any State funds paid to the Contractor and not expended in connection with the Project shall be remitted by the Contractor to the State within thirty (30) days of either (i) the completion of the Project or (ii) a determination by the State, in its sole discretion, that the Project will not be completed, whichever occurs first. The total duration of this Contract shall not exceed a total Contract period of five (5) years. Financial obligations of the State of Colorado payable after any current fiscal year are contingent upon the availability of funds for that purpose as set forth in paragraph 24 of this Contract.

ii) **Change Order Letter.** The State may make the following modifications to this Contract using a Unilateral Change Order Letter, in a form substantially equivalent to Exhibit B-2 attached hereto and incorporated by reference herein, when such modifications are requested by the Contractor, in writing, or determined by the State to be necessary and appropriate:

Such amendment may also incorporate any modifications permitted under subparagraphs a) and .b) of this paragraph 8.

9. Audit.

a) **Discretionary Audit.** The State, through the Executive Director of the Department of Local Affairs, the Colorado State Auditor, or any of their duly authorized representatives and the federal government or any of its duly authorized representatives shall have the right to inspect, examine and audit the Contractor's and any subcontractor's records, books, accounts and other relevant documents. For the purposes of discretionary audit, the State specifically reserves the right to hire an independent certified public accountant of the State's choosing. A discretionary audit may be requested at any time and for any reason during the period commencing on the Effective Date and continuing for five (5) years after the date of the final payment for the Project under this Contract is received by the Contractor, provided that the audit is performed during normal business hours.

b) **Mandatory Audit.** Whether or not the State or the federal government calls for a discretionary audit as provided above, the Contractor shall include the Project in its annual audit report as required by the Colorado Local Government Audit Law, 29-1-601, et seq., C.R.S., and implementing rules and regulations. Such audit reports shall be simultaneously submitted to the Department and the State Auditor. Thereafter, the Contractor shall supply the Department with copies of all correspondence from the State Auditor related to the relevant audit report. If the audit reveals evidence of non-compliance with applicable requirements, the Department reserves the right to institute compliance or other appropriate proceedings notwithstanding any other judicial or administrative actions filed pursuant to 29-1-607 or 29-1-608, C.R.S.

10. Insurance.

10.1 The Contractor shall obtain, and maintain at all times during the term of this agreement, insurance in the following kinds and amounts:

- a. Worker's Compensation Insurance as required by state statute, and Employer's Liability Insurance covering all of the contractor's employees acting within the course and scope of their employment.

- ii. \$1,000,000 general aggregate;
- iii. \$1,000,000 products and completed operations aggregate; and
- iv. \$50,000 any one fire.

If any aggregate limit is reduced below \$1,000,000 because of claims made or paid, the contractor shall immediately obtain additional insurance to restore the full aggregate limit and furnish to the State a certificate or other document satisfactory to the State showing compliance with this provision.

- c. Automobile Liability Insurance covering any auto (including owned, hired and non-owned autos) with a minimum limit as follows: \$1,000,000 each accident combined single limit.

10.2 The State of Colorado shall be named as additional insured on the Commercial General Liability and Automobile Liability Insurance policies (leases and construction contracts will require the additional insured coverage for completed operations on endorsements CG 2010 11/85, CG 2037, or equivalent). Coverage required of the contract will be primary over any insurance or self-insurance program carried by the State of Colorado.

10.3 The Insurance shall include provisions preventing cancellation or non-renewal without at least 45 days prior notice to the State by certified mail.

10.4 The contractor will require all insurance policies in any way related to the contract and secured and maintained by the contractor to include clauses stating that each carrier will waive all rights of recovery, under subrogation or otherwise, against the State of Colorado, its agencies, institutions, organizations, officers, agents, employees and volunteers.

10.5 All policies evidencing the insurance coverages required hereunder shall be issued by insurance companies satisfactory to the State.

10.6 The contractor shall provide certificates showing insurance coverage required by this contract to the State within 7 business days of the effective date of the contract, but in no event later than the commencement of the services or delivery of the goods under the contract. No later than 15 days prior to the expiration date of any such coverage, the contractor shall deliver the State certificates of insurance evidencing renewals thereof. At any time during the term of this contract, the State may request in writing, and the contractor shall thereupon within 10 days supply to the State, evidence satisfactory to the State of compliance with the provisions of this section.

10.7 Notwithstanding subsection a of this section, if the Contractor is a "public entity" within the meaning of the Colorado Governmental Immunity Act, CRS 24-10-101, et seq., as amended ("Act"), the contractor shall at all times during the term of this contract maintain only such liability insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the Act. Upon request by the State, the contractor shall show proof of such insurance satisfactory to the State.

11. Conflict of Interest. The Contractor shall comply with the provisions of 18-8-308 and 24-18-101 through 24-18-109, C.R.S.

12. Remedies. In addition to any other remedies provided for in this Contract, and without limiting the remedies otherwise available at law or in equity, if the Contractor fails to comply with any contractual provision, the State, after written notice to the Contractor, may:

- a) suspend this Contract and withhold further payments and/or prohibit the Contractor from incurring additional obligations of contractual funds, pending corrective action by the Contractor or a decision by the State to terminate this Contract in accordance with provisions herein. The State, in its sole discretion, may allow expenditures during the suspension period which the Contractor could not reasonably avoid, provided such costs were necessary and reasonable for the conduct of the Project; or

- b) terminate this Contract for default.

The above remedies are cumulative and the State, in its sole discretion, may exercise any or all of them individually or simultaneously.

13. Contract Termination. This Contract may be terminated as follows:

a) **Termination Due to Loss of Funding.** The Parties hereto expressly recognize that the Contractor is to be paid or reimbursed with funds provided to the State for the purposes set forth herein, and therefore, the Contractor expressly understands and agrees that all its rights, demands and claims to payment or reimbursement arising under this Contract are contingent upon receipt of such funds by the State. In the event that such funds or any part thereof are not received by the State, the State may immediately terminate or amend this Contract.

b) **Termination for Cause.** If, for any reason, the Contractor shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the State shall give written notice to the Contractor of such delay or non-performance. If the Contractor fails to promptly correct such delay or non-performance within the time specified in the notice or twenty (20) days from the date of such notice, which ever is greater, the State shall have the right, at its sole option, to terminate this entire Contract, or such part of this Contract as to which there has been delay or failure to properly perform, for cause. If the State terminates this Contract for cause, the State shall reimburse the Contractor only for eligible expenditures made up to the date of termination.

Notwithstanding the above, the Contractor shall remain liable to the State for any damages sustained by the State by virtue of any breach of this Contract by the Contractor, and the State may withhold any payments to the Contractor for the purpose of offset until such time as the exact amount of damages due the State from the Contractor is determined.

c) **Termination for Convenience.** When the interests of the State so require, the State may terminate this Contract in whole or in part for the convenience of the State. The State shall give written notice of termination to the Contractor specifying the termination of all or a part of this Contract and the effective date thereof, at least twenty (20) days before the date of termination. Exercise by the State of this termination for convenience provision shall not be deemed a breach of contract by the State. Upon receipt of written notice, the Contractor shall incur no further obligations in connection with the terminated work and, on the date set in the notice of termination, the Contractor shall stop work to the extent specified. The Contractor also shall terminate outstanding orders and subcontracts as they relate to the terminated work.

14. Integration. This Contract, together with its exhibits and attachments, is intended as the complete integration of all understandings between the Parties. No prior or contemporaneous addition, deletion or modification hereto shall have any force or effect whatsoever, unless embodied in a writing, executed by the Parties pursuant to paragraph 8 of this Contract, and approved in accordance with Colorado State fiscal rules and policies.

15. Severability. To the extent that this Contract may be executed and performance of the obligations of the Parties may be accomplished within the intent of this Contract, the terms of this Contract are severable, and should any term or provision hereof be declared invalid or become inoperative for any reason, such invalidity or failure shall not affect the validity of any other term or provision hereof.

16. Waiver. The waiver of any breach of a term, provision or requirement hereof shall not be construed as a waiver of any other term, provision or requirement or of any subsequent breach of the same term, provision or requirement.

17. Binding on Successors. Except as otherwise provided herein, this Contract shall inure to the benefit of and be binding upon the Parties, and their respective successors and assigns.

18. Assignment. Notwithstanding paragraph 17, the Contractor may not assign its rights or duties under this Contract without the prior written consent of the State. No subcontract or transfer of this Contract shall in any case release the Contractor of responsibilities under this Contract.

19. Survival of Certain Contract Terms. Notwithstanding anything herein to the contrary, all terms and conditions of this Contract, including but not limited to the exhibits and attachments hereto, which may require continued performance, compliance or effect beyond the termination date of this Contract shall survive such termination date and shall be enforceable by the State in the event of any failure to perform or comply by the Contractor or its subcontractors.

20. Successor in Interest. In the event the Contractor is an entity formed under intergovernmental agreement and the project is for the acquisition, construction or reconstruction of real or personal property to be used as a public facility or to provide a public service, the Contractor warrants that it has established protections that ensure that, in the event the Contractor entity ceases to exist, ownership of the property acquired or improved shall pass to a constituent local government or other eligible governmental successor in interest, or other successor if specifically authorized in Exhibit A, so that the property can continue to be used as a public facility or to provide a public service.

21. Non-Discrimination. The Contractor agrees to comply with the letter and the spirit of all applicable state and federal laws and requirements with respect to discrimination and unfair employment practices.

22. Compliance with Applicable Laws. At all times during the performance of this Contract, the Contractor shall strictly adhere to all applicable federal, state and local laws, and their implementing regulations, that have been or may thereafter be established, which laws and regulations are incorporated herein by this reference as terms and conditions of this Contract. The Contractor also shall require compliance with such laws and regulations by subcontractors under subcontracts entered into in connection with the Project.

23. Order of Precedence. In the event of conflicts or inconsistencies between this Contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority:

- A. Colorado Special Provisions, of this contract.
- B. Modifications to the Contract, pursuant to Exhibits B-1, B-2, or Amendment.
- C. Remaining paragraphs of the Contract.
- D. Exhibit A, Scope of Services.

24. Availability of Funds. This Contract is contingent upon the continuing availability of State appropriations as provided in Section 2 of the Colorado Special Provisions, incorporated as a part of this Contract. The State is prohibited by law from making fiscal commitments beyond the term of its current fiscal period. If federal appropriations or grants fund this Contract in whole or in part, this Contract is subject to and contingent upon the continuing availability of appropriated federal funds for this Contract. If State of Colorado or federal funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may immediately terminate this Contract in whole or in part without further liability.

25. Third Party Beneficiaries. The enforcement of the terms and conditions of this Contract and all rights of action relating to such enforcement shall be strictly reserved to the State and the Contractor. Nothing contained in this Contract shall give or allow any claim or right of action whatsoever by any third person. It is the express intention of the State and the Contractor that any such person or entity, other than the State or the Contractor, receiving services or benefits under this Contract shall be deemed an incidental beneficiary only.
