## LICENSE AGREEMENT

THIS AGREEMENT ("Agreement") is entered into this \_\_\_\_ day of \_\_\_\_\_, 2010 by and between the CITY OF GOLDEN, COLORADO, a municipal corporation organized under the laws of the State of Colorado, (the "City"), with offices at 911 - 10th Street, Golden, CO, 80401 and the ROONEY ROAD RECYCLING CENTER AUTHORITY, an entity created pursuant to Section 29-1-203, C.R.S., by intergovernmental agreement by and between Jefferson County, Colorado, and the cities of Lakewood, Arvada, Golden, Wheat Ridge and Lakeside, and the towns of Morrison and Mountain View (the "Licensee").

A. The Licensee operates a recycling facility on land owned by Jefferson County, the recycling facility located generally west of Rooney Road and north of Interstate 70 (the "Recycling Facility"); and

B. Pursuant to a long-term lease with Jefferson County, the City is in possession of the property that completely surrounds the Recycling Facility ("City Property"); and

C. Pursuant to the License Agreement dated August 27, 2008, the Licensee has been using a portion of the City Property for temporary "slash operations" in conjunction with its Recycling Facility. The August 27, 2008 License Agreement expires on August 27, 2010. The Licensee desires to enter into another Agreement that would permit the continuation of the slash operation under the terms and conditions set forth herein. The portion of the City Property that Licensee wishes to use is more particularly described in Exhibit A attached hereto and generally referenced herein as the "Slash Operations Parcel;" and

D. The signatories hereto wish to agree as to the nature, terms and conditions under which the Licensee may use the Slash Operations Parcel.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES HEREIN, THE CITY AND THE LICENSEE AGREE AS FOLLOWS:

1. License. The City grants to the Licensee a non-exclusive revocable license to locate, use and maintain within the Slash Operations Parcel a temporary slash operation. For the purposes of this Agreement, a "slash operation" shall consist of the collection and temporary storage of tree limbs and similar organic material, which is ground up into mulch, and then removed from the site. No composting shall take place at the site.

2. Improvements. Improvements to the Slash Operations Parcel shall not be permitted unless approved by the City in advance. The design, construction and maintenance of such improvements, if authorized, shall be the sole responsibility of the Licensee.

3. **Maintenance.** The Licensee shall, at its expense, maintain the Slash Operations Parcel and any authorized improvements in good condition, including the landscape and roads within the area.

4. **General Obligations with Respect to Operations and Maintenance Work.**

a. All work and operations performed by the Licensee pursuant to this Agreement shall be done:

- 1) In a good workmanlike manner, and
- 2) In a timely and expeditious manner, and
- 3) In a manner which minimizes inconveniences to the public and individuals, and
- 4) In accordance with all applicable codes, rules and regulations of the City.

b. All slash operations shall be conducted in a manner so as to reasonably minimize the risk of fire. In the event of a fire that is related to the slash operations or the adjacent Recycling Facility, the Licensee shall reimburse the City its reasonable expenses incurred in suppressing the fire.

c. All slash, mulch and other materials located at the Slash Operation Parcel shall be stored in a manner to minimize removal of such materials from the site by reason of the wind. In the event that such materials leave the Slash Operations Parcel by reason of the wind, Licensee shall timely remove such materials from adjacent properties.

d. The Licensee shall timely remove (i.e., within 24 hours) any slash materials (including mulch) that are deposited on Rooney Road and the public road that is used to access the Slash Operations Parcel from Rooney Road (the "Access Road").

e. The Licensee shall reimburse Jefferson County any cost it incurs to repair damage to Rooney Road and the Access Road caused by reason of the slash operation, including, without limitation, pro-rata damage to asphalt caused by the use of such roads by trucks accessing the Slash Operations Parcel.

f. All operations carried out by the Licensee within the Slash Operations Parcel shall be subject to inspection by the City. Licensee shall promptly perform reasonable remedial action as required by the City pursuant to the inspection.

g. At the request of either the City or Jefferson County, the Licensee shall demarcate the perimeter of the Slash Operations Parcel, or the smaller area physically occupied by the slash operation, with 3-strand or 4-strand wire fencing or by alternate means acceptable to the City and Jefferson County.

h. Grinding of organic material at the Slash Operations Parcel shall occur in such a manner and frequency as to minimize the visual impact of the slash operation. Grinding shall occur no less than 12 times in a one-year period.

5. Liability Insurance. During the term of this License Agreement, Licensee, or its contractor for the slash operations, shall maintain in full force and effect general liability insurance with coverage limits that exceed \$600,000 per incident and \$150,000 per individual. The City and Jefferson County shall each be named as an additional insured with respect to this insurance requirement.

6. Consideration. The consideration for the License granted herein is \$3,600.00 which Licensee shall pay the City within 60 days of the date of this Agreement. All consideration received by the City will be used for parks and open space purposes.

7. Compliance with laws. This Agreement relates only to permission to use City property under the terms and conditions set forth. The execution of this Agreement shall not relieve the Licensee from complying with provision of the GOLDEN Municipal Code, including compliance with zoning ordinances and subdivision regulations. Nor shall this Agreement be construed as approval by the City to construct the improvements contemplated by the Licensee to the extent that City approvals or permits are otherwise required by the GOLDEN Municipal Code or statute.

8. Police Power Reserved. The rights granted herein shall not limit or otherwise restrict the right of the City to exercise its police powers.

9. Termination. The term of this Agreement begins August 28, 2010 and ends August 27, 2012. Upon expiration or termination of this Agreement, the Licensee shall remove at its expense all of its personal property, improvements, slash and slash residual located on the Slash Operations Parcel. All property and improvements affected by such a removal shall be restored by the Licensee to substantially their former condition, to the satisfaction of the City and Jefferson County. Notwithstanding the foregoing, the City or Jefferson County may terminate this Agreement at any time upon 30 days written notice if in either of its sole determination the slash operations are causing an unacceptable degradation to the Slash Operation Parcel. Any such termination by the City or the County shall not relieve the Licensee of any obligation herein, including, without limitation, the obligation to restore all property and improvements to substantially their former condition.

10. Assignment. The Licensee may not assign any of its rights, duties and responsibilities set forth in this Agreement except that it may contract with an entity to perform the slash operations.

11. Amendment. This Agreement may not be amended without the prior written approval or consent of the City, the Licensee, and Jefferson County.

12. **Indemnification.** By executing this Agreement the City and Jefferson County are not assuming any liability for any acts or omissions of the Licensee or its contractors and, to the extent allowed by law, the Licensee hereby agrees to defend, indemnify and hold harmless the City and Jefferson County, and their officers, agents and employees, from and against all liability, claims, demands, and expenses, including court costs and attorney fees, on account of any injury, loss, or damage, which arise out of or are in any manner connected with the slash operations, except to the extent caused by the negligence of the City or Jefferson County.

13. **Enforcement.** Enforcement of the terms of this Agreement will be at the discretion of the signatories and any forbearance by a signatory to exercise its rights herein will not be deemed or construed to be a waiver of such breach or of any subsequent breach of the same or any other term of this Agreement or of any of the rights of the signatories to this Agreement. No delay or omission by any signatory in the exercise of any right or remedy will impair such right or remedy or be construed as a waiver.

14. **Hazardous Materials.** The Licensee covenants, represents, and warrants that, except in the normal course of business: (a) Hazardous Materials will not be handled, treated, used, placed, stored, or otherwise kept, or transported on or across any portion of the Slash Operations Parcel by the Licensee or its contractors or agents without the prior written approval of the City; and upon any such approval (b) any handling, transportation, storage, treatment, or usage of Hazardous Materials which may occur on or across any portion of the Slash Operations Parcel will be in compliance with federal, state, and local laws, regulations, and ordinances. To the extent allowed by law, Licensee does hereby indemnify and hold harmless the City and its agents and employees from and against any and all claims, lawsuits, damages, costs, losses, judgments, of any nature whatsoever, including attorneys' fees, suffered or incurred by the City, to the extent arising from a breach of the covenants and warranties contained in this paragraph, or as a result of conditions created or acts performed or omitted by the Licensee, its agents, contractors, permittees, invitees, or assigns. Such indemnity and covenant to hold harmless shall survive the termination of this Agreement. The term "Hazardous Materials" herein means any hazardous, toxic, or dangerous substances, materials, or wastes which are regulated under any applicable county, municipal, state, or federal law, rule, ordinance, direction, or regulation.

15. **Colorado Governmental Immunity Act.** The City and Jefferson County expressly reserve the right to assert all defenses and liability limitations provided by law, including, without limitation, the Colorado Governmental Immunity Act, Section 24-10-101, *et seq.* or any successor acts or provisions.
